IN THE UNITED STATES DISTRICT COURT FOR
THE EASTERN DISTRICT OF PENNSYLVANIA
PHILADELPHIA DIVISION

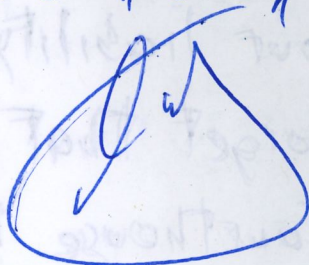

UNITED STATES OF AMERICA

v
ANDREW M BERKOWITZ

CERTIFICATE OF SERVICE

I certify that on 2/28/24 I filed this 14 page
LETTER TO GEORGE WYLESOL To correct the
lawless Thievery of Mary Beth "Lying" Leahy and
the VERY DISHONORABLE Paul ~~X~~ S.S. Diamond AND
George Wylesol, ^{you, George Wylesol had} ~~a~~ a sworn duty to congress
not to ~~X~~ S.S. ~~X~~ Diamond To not steal money
from defendants. This letter to George Wylesol
the Clerk of Court for the Eastern District of the
Third Circuit presents him an opportunity to cure.
As far as I can tell, to the best of my knowledge,
this filing is completely factual

2/23/24

The world will be watching
you very closely George Wylesol

I have reason to believe Mr Wylesol that (2)
M.B. "LYING" Leahy and The Chief Shredder of
The Eastern District of The Third Circuit conspired
to knowingly STEAL money on top of The 8.0
million they ^[were lawlessly legally designated to] steal. My forfeiture on The Criminal
case that I was sentenced to was ~~was~~

3,991,000 + 40,000 + 4200 = 4,035,200
(restitution) (fine) (100/court)

I believe that the nefarious duo of Diamond
and Leahy STOLE even more than that. They
are criminals - of this I am sure. You, George
Wylesol, are up to your eyeballs involved as a
co-conspirator in ~~their~~ criminal activity. Take
note, that while Leahy and Diamond are as
criminal as it gets, it's only your predecessor
(Kate Barkman) that was forced to fall on her
sword. ^{She was forced} to resign in disgrace for behaviours ^{that are} arguably
less criminal than yours. ^{have been. now} It's time to hire your own
personal attorney to limit your liability/culpability
in this conspiracy. Never forget that I'm not
your best friend at the Courthouse but your
only friend. They are setting you up to take the fall.
Factually, I'm the only one looking out for your welfare!

I INSIST that you send a copy of this letter ³
to every Judge on the Appeals Court TODAY
being that they are presently considering listening
to my Appeals En Banc. I ^{also} insist you send a
copy of this letter to Chief Judge Juan Sanchez
since document #456 is a motion to get Sanchez
to do his job and remove Diamond. I insist
you send a copy to Judge Gerald Meltugh who
is my LEGAL Forfeiture Judge who has done
NOTHING regarding any forfeitures despite ^{his} being ~~is~~
appointed by Sanchez to be the presiding Judge
for my forfeiture. Meltugh has ceded all his
responsibilities to S.S. Diamond even though ^{Meltugh} ~~he~~ is
abundantly ~~certain~~ certain of Diamond's multiple
multiple criminal counts perpetrated on me. (wow!) You
could argue that Meltugh is as "guilty as it gets"
and the PUPPETMASTER for ^{his} STRAWMAN S.S.
Diamond. I ^{also} insist you send a copy of this ^{letter} to
the US Administrator of Courts and ~~the~~ ^{the Office of Professional} Responsibility
and Attorney General Merrick Garland. I believe you should also
send copies of this to the other Judges in the
Eastern District of the Third Circuit and to all

④
The members of The Senate and House
Judiciary Committee ~~is~~ (who are your true
bosses). While I also believe it is ⁱⁿ George Wykesol's
best interest to send this filing to all those not
mentioned in the aforementioned list that are on
my list of those ^{I directed} to be carbon copied ⁱⁿ that
document #428, I'll leave that decision up to you and
your lawyer. I can't imagine George Wykesol isn't
primarily interested ^(mostly or only) with George Wykesol.
That being said, let me address Mr. Wykesol's
culpability ^{here} and sworn duties ^{here} first. Should the
DOJ and the Judge ~~not~~ have garnished significantly
more money than the 4,035,200 dollar amount
aforementioned then he need not do any of the
actions listed previously. While I'm sure they did,
the evidence of such ^{or may} not be on paper - to be
clearly seen in the light of day. What I am trying to
say is that should that amount garnished on paper
not exceed that, ^(inevitably) your lawyer will advise you to
take safe harbor (take refuge) in ~~the~~ ^{your having had} plausible deniability
However ^{keep in mind} that should it not be on paper ^{that} in no way affirms them ^{as to}
^{that} being lawful. But should it be on paper ^{and} that, that
amount garnished is significantly higher than 4,035,200,
that will prove that Diamond and Leahy are sticking

Haunting Their ABSOLUTE POWER AND LAWLESSNESS-⁵
NESS in the light of day. It will show they
have no fear of doing such (they don't fear any
bad consequences will come their way ^{despite their brazen} out and
out criminality). To date, GEORGE WYLESOL has
behaved unrighteously. Here is a list of his possible ^{crimes}

- (1) He ^(probably) did not send my filings to all the
people I instructed him to in my motion/filings known as
NOT 428/431/434
- (2) He may have not done his duty by giving motion
#4 in document #431 to Judge Juan Sanchez ^{Judge} ^{McHugh}
that motion being to compel them ^{to} to resign in disgrace.
^{Additionally you may not have given them}
~~the~~ motion #6 to remove Judge Diamond on an
^{speaking to Wylesol's culpability would be} ^{his}
Emergency Basis. ^{Much} Worse Than That ~~that~~ not giving
Judge Sanchez document #434 whose motion "C"
was the MOTION FOR JUDGE SANCHEZ TO REMOVE
DIAMOND TODAY OR APPOINT ANOTHER CHIEF
JUSTICE ^{WHO} WILL DO THE JOB SANCHEZ WAS APPOINTED
TO DO." As far as the evidence shows, (being that
those motions were Never Answered) George Wylesol
REFUSED TO send those motions to Chief Judge
Sanchez and McHugh. As of today 2/23/24
(my ~~the~~ eldest son's Birthday - ^(Michael Neil) the personal injury lawyer's
36th Birthday), I have no reason to believe that
Chief Judge Juan Sanchez has ever received a copy

of motion #456. ^{I know not} having not received a ruling. (6)
by him (on that motion specifically addressed to him
that was posted on 2/13/24) That being said, if I
were you, I would make sure to clearly document
you handed it to ^{personally} him and implore him to answer
that motion. Even if ^{such answering is} to only document on my PACER
docket that he received such and am ^{to} presently debating whether
or not to even address it. Only by doing the
aforementioned action will the world ^{know} for sure
whether ^{who is} Chief Juan Sanchez or ^{primarily} you ~~is~~ the true
criminal in the Third Circuit Court ~~System~~ Eastern
District (should Sanchez ^{once again} decide to act lawlessly by
not addressing that motion). Once again, remember George
that I'm not your best friend, but your only friend.
If you don't believe me ask that personal lawyer
I implored you to hire. I had also asked your
predecessor Kate Barkman to do the same. I'm
not sure whether she did or didn't do such. All
I'm sure of is that she took the "fall" for the
Diamond et al. Obstruction of Justice conspiracy which
and was the ONLY one to take that fall i.e. for she
became the martyr, the scapegoat, the sucker, the sacrificial lamb.
While you followed in her foot steps ^{by} taking the
job, you won't want to do so by being the sucker
who gets forced to resign. With Sanchez and McHugh
not answering my motions it is inevitable that -

people will believe that you've been "seduced" by S.S. Diamond to be his criminal bitch in a way similar to his corruption of ex-clerk Barkman ⑦

③ George Wylesol's perhaps greatest liability/culpability lies in his (as banker of accounts at The Eastern District of Third District) collecting more ^{money} than what Judge Diamond and MB "LYING" Leahy were ^{yourself} LEGALLY entitled to collect. George, you can talk until you are blue in the face, but should these issues ever be investigated, rest assured, LYING Leahy and S.S. Diamond will try to make you "The fall guy." It's deja vu all over again. My mother ~~warned~~ ^{warned} me never marry a woman whose previous five husbands met a suspiciously premature death. Once again, this is their modus operandi to have the little ^(without immunity) guy take the fall for the BIG guy - Paul S.S. the Chief Shredder of the Eastern District and "GOAT" of all Fascist judges. Should you not get it yet, let me spell it out ^{for you} more clearly. Undeniably you are up to your eyeballs ^{here} in responsibility ^{for these lawless activities} should you have collected more money than you (as a superior inferior) have been ~~assigned~~ ^{commissioned} by CONGRESS to collect upon collecting too much (crimes #1, 2 and 3) you neither sent me a refund or ^{even} notified me of ^{notifying such} even secretly as a WHISTLEBLOWER that they were stealing money they were not even LAWFULLY entitled to steal.

- You did ZERO to correct the problem. (George Wyle) ⑧
Even when I caught them STEALING you sat
on the sidelines. In document #428 and #431
I specifically addressed this issue. In short, you supported
this cover up in every way possible. You sat by as
Devil Diamond declared my motions in #428 and
#431 (in which I specifically addressed their malfeasances,
numerous times either directly or indirectly their stealing of my money)
In 428 - #'s 2, 3, 5 and 7
In 431 - #'s 4 and 6 as "INCOMPREHENSIBLE"
NOT INCOMPREHENSIBLE, but too too COMPREHENSIBLE ④ In document #434 a variety of those
motions indirectly addressed Diamond's taking of a greater
garnishment ~~me~~ from ^{me than} what the law said he could do.
Diamond ignored them and told you to FALSIFY
the PACER DOCKET by claiming those motions were
not even motions. George, your FALSIFYING the
Pacer docket falls north of 99.99% as being your
fault. YOU ARE IN CHARGE OF THE DOCKET.
FOOLISHLY, MORONICALLY, CRIMINALLY, AS WEAK OF
A MAKE AS THEY COME IS AS FOOLISHLY, MORONICALLY,
CRIMINALLY, AS WEAK AS THEY COME does.
That being said - I believe It's time to resign and turn state's
evidence. They set you up SUCKER to take the fall.

If you don't see that now you truly ^{either} are a (9)
moran, a masochist or some perverted mixture of
the two. (A M & M mixture) To mitigate damages
you need to cooperate with me your only friend
at the Eastern District Courthouse) as seen below 1/2/3

- ① Print out a list of all monies received, ^{from me, fashion} ^{what}
date they were received and from what holdings
of mine they were received from
- ② Send a copy ^{of such} to myself at Fort Dix and send
a ^{duplicate} copy to my wife Ann Berkowitz / 725 Lisa
Circle / Huntingdon Valley PA 19006
- ③ Should the Government ~~be~~ (which actually is
and for all intents and purposes
George Wykesol ~~and~~ only George Wykesol) put into
the Government's coffers more money than was
legally allowed he should (at God's speed) send a
check for the overage ^{paid} to my wife Ann at her
aforementioned address. Certainly a note of sincere
apology (^{mea} culpa) would be appropriate. Fortunately
for George Wykesol, I'm a Christian who believes in
the multitude that - those that show mercy will receive
mercy and while to "err" is human, to forgive
is divine. I would prefer that the check or money
owed ^{us} would be made out to Ann Berkowitz but
should ~~that~~ not be legally allowed for ^{you to} do so, I'll
understand ~~if~~ ^{should need to} you make it out to Andrew Berkowitz.
While you ~~might~~ ^{would} think that I was ~~joking~~ ^{joking} when I

gave you friendly wise advice to

- Hire your own PERSONAL lawyer paid with your own money (which you might later ^{choose to} ~~sue~~ sue the Government to reimburse you for)
- Consider resigning and becoming a WHISTLEBLOWER against the Government. They will hesitate to retaliate against you being that there are a number of legal protections for WHISTLEBLOWERS against Government retaliation

Wake up George! They set you up! They are getting ready to screw you like they did your predecessor. ^{once again} I'm not your best friend but your only friend. The time is NOW. He who hesitates is lost. ^{don't forget} ~~you~~ you ^{also} have the protection (not only of ^{being a} WHISTLEBLOWERS) but ^{you are} ~~if~~ a very knowledgeable person who knows where ALL THE BODIES are buried. (They better be nice to you or else)

Do the 1/2/3 instructions listed on page 9 to perfection as I have instructed you ^{God's speed}. Reciprocating for such, I will ^{then} pray for you and your soul's redemption. Jesus loves the repentant ~~sinner~~ sinner who promises to sin no more. Once again, it's never how you start but how you finish that truly counts.

In review, George Wylesol did various crimes/malfeasances with (as far as the evidence ~~shows~~ ^{shows}) TRUE MENS REUS i.e. with forethought of malice to 77307-066's ^{Civil} Constitutional RIGHTS to DUE PROCESS as guaranteed by the 14th Amendment

In closing I will review the horrific position you've been put in by your "friends" and your Actions. As far as the evidence shows (11)

- ① You are 100% responsible for not sending my filings to any I advised you to making you part of the cover-up
 - ② You are 100% responsible for FALSIFYING the Pacer Docket by lying and labelling Document # 434 with its multiple motions as a Pro Se letter. Most disturbingly of those motions you "buried" was Motion "C" which was to be given to Judge Sanchez asking him to replace Diamond as my presiding Judge. As far as the evidence shows, you purposefully directed that motion "C" as far away from Chief Judge Sanchez as possible. Clearly, you did such to prevent Sanchez from probably replacing Diamond.
- The only questions that remain are
- = Did your steering that motion away from Sanchez's desk occur because Diamond directed you to do such or did you take it on your own to commit that Obstruction of Justice?
 - = When did Diamond recognize your lawless action as lawless and how did he react to the above mentioned criminal behavior (i.e. what did he do) and what did he tell you?
- ③ You are 95% responsible for - accepting the extra "ill gotten" money circa a year ago that the Government was ^{not} entitled to

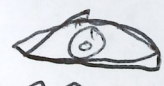

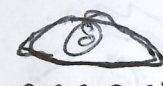

- You accepted such AND never refunded me for such over stealing by Diamond and Leahy

- Not only did I never receive a refund but I also never received notification of your receiving additional funds (all gotten funds)

- not only did you not notify me of the excess money received but when I caught it in my filings numbered #428⁽⁴²⁸⁾ and #431 and Diamond instructed you to help him bury that obvious Government malfeasance you willingly, knowingly and voluntarily worked with him in perfect synchrony. Hopefully, one day it will come out ^{as to} whether it was you or Diamond who first suggested Diamond respond to filing #428's motions related to the Govt's stealing of excess monies in his order/filing #429 as "INCOMPREHENSIBLE" and responded to my motions related to the Govt's stealing of my monies in my filing #431 in his order/filing #432 as "INCOMPREHENSIBLE." While we don't know that yet ^{what} we do presently know ^{is} that in those motions you were fully aware that my claim of the Government stealing ^(excess) too much of my money was FACTUALLY TRUE AND

- Diamond's response to my motions in his order/filings #429 and #432 were lies that ~~was~~ ^{were} meant to be "as FASCISTLY LAWFESS as it gets."

You need a lawyer and once you find a good one have him call me. You'll know where to reach me

Being That you are The only person George (13)
who will NOT be ~~be~~ afforded any ^{personal} immunity (even a
limited immunity) it behooves you to do all you
can to insure that no one tries to "doctor"
the financial ledger that stipulates to exactly
how much money from my funds The Government
had ~~garnished~~. It is both ironic and rather evilly
crooked that all the other "players" in this
happenstance (as Shakespeare stated ^{that} all the world
is a stage and the people in it ^{are} the players)
are in many senses higher up on the totem pole ^{who} ^{receive that immunity.}
Being that to the victors go the spoils it (to
those victors) seems only natural that they, rather
than you, are shielded from prosecution and you
are not. This is why I have cautioned you to
insure that no one "doctors" those books. You
probably understand that once the Berkowitz's
receive your financial tally sheet that we will then
fact check those numbers. As President Ronald Regan
always followed his belief that it is smart "to
trust yet verify," I have chosen to follow that
sage wisdom also.   - The world is watching
you closely George
Please send me two 2255 forms (as requested previously)
Appeal

AND Reconsider your previous refusals to (14)

- send me a copy of my criminal pacer docket
I only have a copy of such from #s 1-250
on 2:19-CF-00356 and a copy of all the
filings from 5/7/22 onward (i.e. sentencing
to present date). I'm locked in a 'dungeon'
and denied access to my PACER DOCKETS
X is as X does. Being denied access to
my PACER docket is undeniably an infringement
of my rights to DUE PROCESS as guaranteed
by the 14th Amendment. I'm figuratively fighting
my case blindfolded here. I ~~am~~ ^{am} and will forever
be the accidental ^{Pro Se Litigant} ~~The~~ Pro Se Litigant whose attorneys
LAWLESSLY abandoned him ⁱⁿ ~~in~~ a wink and a nod
conspiracy to obstruct justice known as the
Diamond et al. conspiracy. Come over from the
dark side George Wylesol and do all I say here
in this filing without consulting the very DISHONOR-
ABLE Judge (and Chief Shredder of the Eastern
District) Paul X S.S. X Diamond the "GOAT" of all
Fascist Judges.

The FOIA will help me get all the
info I need to prove the criminal
conspiracy

The FOIA will
eventually result
in me getting ^{all} the
information needed to
send me home!
